The Beckley Police Department is pleased to announce the 2019 Junior Police and Leadership Academy. The JPA class is not a "training" class, but is an exciting "information" class, a behind-the-scenes look at the Beckley Police Department. The JPA program operates on the premise that informed and educated youth will be more supportive of police officers and the department and will become better leaders within their schools and communities.

The JPA will start June 10, 2019 and end on June 14, 2019. The academy will run from 8:30 am to 4:00 pm every day. Class size is limited to 25 - 30 students.

As a valued local business and community leader, we are asking for your support during the 2019 JPA. We are asking for snacks (fruit trays, granola bars, healthy snacks), drinks or other supplies to assist in keeping the JPA a "no cost program" to local students and to help strengthen the bond between the Police, community and youth.
